9:00am to 6:00pm (EST)

Phone: +1(805) 579 1800  
Fax: +1(805) 579 1808

[techsupport@zebra.com](mailto:techsupport@zebra.com)

Hours of Operation:  
7:00am to 5:00pm (PST)

Hours of Operation:  
7:00am-5:30pm (CST)

### **Visit Us on the Internet**

Zebra Card Printer Solutions operates a World Wide Web site at [www.zebracard.com](http://www.zebracard.com). Here you'll find the latest information on card printer products, supplies, firmware, drivers, sales literature, user's manuals, etc. Also, check out our PartnerZone website. These sites are continuously updated, so check in often to see what's new!

### **General Order Information**

For all product requests, the customer must issue to Zebra Technologies International, LLC/Card Printer Solutions (via fax, mail or e-mail) a purchase order. All purchase orders will state the Zebra part number, brief product description, quantity required, price per unit, requested delivery schedule, payment terms, and bill & ship to information. Order entry department will fax order acknowledgments and/or proforma invoices within 48 hours (this may take longer if the order information is incomplete). For order status and/or shipping inquiries, please contact your order entry representative.

**The minimum order is \$50.**

### **Terms**

---

#### **Delivery**

The standard product lead-time is five (5) working days after receipt of your purchase order. A rush fee of \$100.00 will be added to orders placed for same day shipment (if product is available); order must be received before 11:00 a.m. PST. Customer orders with wire transfer terms will be scheduled to ship within 14 days after receipt of bank confirmation unless otherwise notified.

Delivery may be made from multiple manufacturing facilities. Freight terms are FOB from each Zebra location. Insurance will be included and billed to the customer, unless otherwise stated. Zebra will ship by ground transportation unless an alternative shipping method is specified on the purchase order. Title and risk of loss will pass on delivery to the carrier. Zebra will not be liable for shipment delays of any kind beyond its control.

Drop shipments can be made to US destinations only.

Custom media ships overnight service unless specified otherwise by the customer.

#### **Pricing**

Zebra reserves the right to change pricing at any time without prior notice. This price list supersedes all previous price lists.

#### **Payment**

Payment must be made in advance by one of the following methods: C.O.D., bank transfer, credit card payment or an acceptable letter of credit, unless standard net 30 day terms have been established by customer and Zebra.

Zebra's standard terms are net 30 days **for approved customers only**. The reseller can only obtain net 30 credit terms after Zebra's credit department has approved the reseller's credit application. Allow up to two (2) weeks from Zebra's receipt of the credit application for credit approval. Zebra reserves the right to set the maximum credit limit of reseller's credit line, and Zebra reserves the right to discontinue resellers net 30 terms at any time

## Standard Lead Times - Custom Media

### **Pre-Production:**

Quotes (Technology Cards)	3-5 Days	Chip Availability Needs Validation
Quotes (Cards & Laminates)	3-5 Days	Required for Large Volume Orders
Digital Proofs	3-5 Days	High-Resolution Files Required

### **Production:**

Cards	9-14 Weeks	Depending on Artwork
Laminates	9-12 Weeks	Depending on Artwork
Reorders	6-8 Weeks	Expedite Available
Technology Cards	CALL	

## **Product Warranty Statement**

For the card printer products warranty, please visit the zebra website:

[http://www.zebracard.com/id/card/na/en/index/service\\_support/options/product\\_warranty\\_statement.html](http://www.zebracard.com/id/card/na/en/index/service_support/options/product_warranty_statement.html)

## **Return Policy**

Non-media items may be returned within the first thirty (30) days after receipt, subject to a restocking fee of 15%.

Stock media items may be returned within the first thirty (30) days after receipt, subject to a restocking fee of 15%. **Custom media and custom configured printer items are non-returnable & non-refundable.**

All returns must be authorized by obtaining an RMA number from Technical Support (technical failures), your sales representative (shipment problems or product returns), or the RMA department (by prior agreement only). Return of units will not be accepted unless the RMA number is clearly marked on the outside of the box. **Any product received without an RMA number will be returned to sender.**

All evaluation units are invoiced at full value if not returned within thirty (30) days after receipt unless prior authorization is obtained. Prior to returning any evaluation unit, an RMA number must be obtained from your sales representative. Evaluation units are exempt from restocking fees.

**Zebra<sup>®</sup> ZXP Series 8<sup>™</sup>**  
**Retransfer Card Printer**

**ZXP Series 8 Retransfer Printer**

The Zebra ZXP Series 8 retransfer card printer offers picture-perfect image quality, best-in-class throughput, a multitude of encoder options, and high reliability that minimizes maintenance. The ZXP Series 8 printer includes ZMotif™ software development tools for easy integration with enterprise applications.

**Standard Features:**

190 cards per hour (max) single-sided printing  
 USB and 10/100 Ethernet-ready<sup>5</sup> connectivity  
 Windows® drivers: XP, Server 2003, Vista

Warranty: 2-year printer, unlimited printhead  
 i Series intelligent media technology  
 64 MB memory

## CARD PRINTER PRICE LIST

### QuikCard ID Solution™

Set up a card printing system and begin producing quality photo IDs in minutes with the Zebra QuikCard ID Solution. The bundle includes a card printer, camera, software, and a supplies starter kit. Choose a single-sided or dual-sided full-color card printer, with or without magnetic stripe encoding.

### Standard Features:

P110i single-sided or P120i dual-sided color card printer  
QuikCard ID Solution software  
Zebra card design templates

Zebra template designer  
Logitech USB digital webcam  
200 30-mil PVC cards, one full-color ribbon cartridge

### QuikCard ID Solution

Part Number	Description	Suggested List Price USD	Magnetic Encoder <sup>1</sup>	USB connectivity <sup>2</sup>	Supplies starter kit <sup>3</sup>
<b>QuikCard ID Solution - Unique Configurations</b>					
<i>The following unique printer configurations combine specific options and features . Longer lead times may apply to unique configurations.</i>					
P110i-0000A-IDB	Zebra QuikCard ID Solution with P110i single-sided card printer, USB connectivity, QuikCard software, Logitech webcam, and starter kit (200 cards, 1 YMCKO color ribbon)	\$2,395		✓	✓
P110i-0M10A-IDB	Zebra QuikCard ID Solution with P110i single-sided card printer, USB connectivity, Magnetic encoder, QuikCard software, Logitech webcam, and starter kit (200 cards, 1 YMCKO color ribbon)	\$2,895	✓	✓	✓
P120i-0000A-IDB	Zebra QuikCard ID Solution with P120i dual-sided card printer, USB connectivity, QuikCard software, Logitech webcam, and starter kit (200 cards, 1 YMCKOK color ribbon)	\$3,295		✓	✓
P120i-0M10A-IDB	Zebra QuikCard ID Solution with P120i dual-sided card printer, USB connectivity, Magnetic encoder, QuikCard software, Logitech webcam, and starter kit (200 cards, 1 YMCKOK color ribbon)	\$3,795	✓	✓	✓

Printers are shipped with US & EU power cords, USB cable, Windows drivers & multi-language user documentation CD Rom

#### Footnotes

1. Magnetic encoder option - stripe down only HiCo/LoCo
2. USB comes standard on all printers

**P100i Single-sided Single-feed Color Card Printer**

Zebra's P100i color card printer makes personalized cards fast, easy, and affordable. This budget-friendly printer produces single-sided full color or monochrome cards and offers a variety of optional features not typically available in a product in this class, such as Ethernet connectivity and smart card encoding. In moments, this single-feed card printer can print and/or encode unique cards for a variety of markets. RoHS compatible.

**Standard Features:**

Prints single-sided full color and monochrome cards  
 CardSense™ single-card feed  
 Load-N-Go drop-in ribbon cartridge

User-friendly LCD display  
 Uses the *i* Series intelligent ribbon  
 Windows drivers: 2000, XP, Server 2003, Works with Vista (32 bit)

P110m - Common Configurations								
The following part numbers are classified as Common Configurations, which means they are the most popular printer configurations, and are readily available from Zebra and our authorized Distribution Partners.								
P110m-0000A-ID0	Zebra P110m single-sided monochrome card printer with USB connectivity	\$1,795	✓			✓		
P110m - Unique Configurations								
The following unique printer configurations which combine specific options and features are also available. Longer lead times may apply to unique configurations.								
P110m-000UA-ID0	Zebra P110m single-sided monochrome card printer with USB connectivity (upgradeable to Ethernet)	\$1,895		✓		✓		
P110m-000UC-ID0	Zebra P110m single-sided monochrome card printer with USB and Ethernet connectivity	\$2,095		✓		✓	✓	
P110m-0M10A-ID0	Zebra P110m single-sided monochrome card printer with USB connectivity, and magnetic encoder	\$2,295	✓		✓	✓		
P110m-0M1UA-ID0	Zebra P110m single-sided monochrome card printers with USB, magnetic encoder, upgradeable to Ethernet	\$2,395		✓	✓	✓		
P110m-0M1UC-ID0	Zebra P110m single-sided monochrome card printer with USB and Ethernet connectivity	\$2,595		✓	✓	✓	✓	
P110m-0000A-IDS	Zebra P110m single-sided monochrome card printer with USB connectivity, and starter kit (200 cards, 1 color ribbon)	\$1,885	✓			✓		✓
P110m-0M10A-IDS	Zebra P110m single-sided monochrome card printer with USB connectivity, and magnetic encoder, starter kit (200 cards, 1 color ribbon)	\$2,385	✓		✓	✓		✓
P110m-000UA-IDS	Zebra P110m single-sided monochrome card printer with USB connectivity (upgradeable to Ethernet), and starter kit (200 cards, 1 color ribbon)	\$1,985		✓		✓		✓
P110m-000UC-IDS	Zebra P110m single-sided monochrome card printer with USB and Ethernet connectivity, and starter kit (200 cards, 1 color ribbon)	\$2,185		✓		✓	✓	✓
P110m-0M1UC-IDS	Zebra P110m single-sided monochrome card printer with USB and Ethernet connectivity, and starter kit (200 cards, 1 color ribbon)	\$2,685		✓	✓	✓	✓	✓
P110m-0M1UA-IDS	Zebra P110m single-sided monochrome card printer with USB and Ethernet connectivity, and starter kit (200 cards, 1 color ribbon)	\$2,685		✓	✓	✓	✓	✓

Printers are shipped with US & EU power cords, USB cable, Windows drivers & multi-language user documentation CD ROM

**Footnotes**

1. Basic board comes standard and supports printers with and without magnetic encoder only.
2. Upgradeable board option: Factory installed. No charge is applied if Ethernet option is included at time of order.
3. Magnetic encoder option - stripe down only HiCo/LoCo
4. USB comes standard on all printers
5. 10/100 Ethernet option

### P120i Dual-sided Color Card Printer

Advanced design delivers the world's first dual-sided, compact color card printer at an unprecedented price. The P120i's versatility and affordability make the printer the smart choice for savvy buyers. From ID's to access control cards to gift cards, Zebra's P120i delivers big ideas at a small price. RoHS compatible.

#### Standard Features:

Prints dual-sided full color and monochrome cards  
Integrated 100-card feeder  
Load-N-Go drop-in ribbon cartridge

User-friendly LCD display  
Uses the *i* Series intelligent ribbon  
Windows drivers: 2000, XP, Server 2003, Works with Vista (32 bit)

Printer Model P120i			Configuration					
Part Number	Description	Suggested List Price USD (includes options)	Basic board <sup>1</sup>	Upgradeable board <sup>2</sup>	Magnetic Encoder <sup>3</sup>	USB <sup>4</sup>	10/100 Ethernet <sup>4</sup>	Starter Kit <sup>6</sup>

***Performance Class Printers***

**P330i Single-sided Full Color Card Printer**

The P330i is a single-sided, full color card printer with a user-friendly LCD display, feeder and print viewing, designed for mission critical applications. Expansion options for networking and card encoding give the P330i the flexibility to meet your specific requirements. When you can't afford to be down, you can rely on the P330i, Zebra's most popular card printer. RoHS compatible.

**Standard Features:**

Prints 144 single-sided full color cards per hour  
 Revolutionary angled card feeder design  
 20 MB standard memory

User-friendly 16 character LCD display  
 Uses the *i* Series intelligent ribbon technology  
 Windows driver: XP, Server 2003, Vista (32/64 bit), 7 (32/64 bit)

Printer Model P330i			CONFIGURATION

P330i-HM10C-ID0	Zebra P330i single-sided color card printer with USB and Ethernet connectivity, MIFARE smart card contactless encoder and magnetic encoder	\$4,490			✓	✓	✓	✓

Printers are shipped with US & EU power cords, USB cable, Windows drivers & multi-language user documentation CD ROM

**Footnotes**

1. Smart card contact station option (encoder not included)
2. Smart card contact encoder option
3. MIFARE smart card contactless encoder option
4. Smart card contact encoder and MIFARE contactless encoder combo option: \$1495 (USD)
5. Magnetic encoder option - dual coercivity, tracks 1, 2 & 3 HiCo, stripe down is factory default. Reverse (stripe up) magnetic encoder is available. Contact your sales rep for more information.
6. USB comes standard on all printers
7. 10/100 Ethernet option

### P330m Single-sided Monochrome Card Printer

The Zebra P330m single-sided monochrome-only card printer offers superior features and proven reliability by leveraging the functionality of Zebra Card's most popular card printers. The perfect solution for customers requiring high speed, monochrome-only printing, yet need a variety of feature options from which to choose. With significantly faster printing, combined with its lower cost, the P330m creates an attractive Total Cost of Ownership (TCO) versus other available high volume color printers. RoHS compatible.

#### Standard Features:

Prints a single-sided monochrome card in 5.2 seconds  
 Revolutionary angled card feeder design  
 20 MB standard memory

User-friendly LCD display  
 Uses the *i* Series intelligent ribbon technology  
 Windows driver: XP, Server 2003, Vista (32/64 bit), 7 (32/64 bit)

Printer Model P330m			CONFIGURATION				
Part Number	Description	Suggested List Price USD (including options)	Smart Card Contact Station <sup>1</sup>	Smart Card Contact Encoder <sup>2</sup>	Magnetic Encoder <sup>3</sup>	USB <sup>4</sup>	10/100 Ethernet <sup>5</sup>

4. USB comes standard on all printers
5. 10/100 Ethernet option

**P430i Dual-sided Full Color Card Printer**

The P430i is a member of Zebra's most popular card printer family, with tens of thousands of printers installed worldwide. Designed and built for demanding environments, the P430i delivers reliability and performance for high-volume card production. Expansion options for networking and card encoding give the P430i the flexibility to meet your specific requirements. RoHS compatible.

**Standard Features:**

Prints 102 dual-sided full color cards per hour  
 Revolutionary angled card feeder design  
 20 MB standard memory

User-friendly 16 character LCD display  
 Uses the *i* Series intelligent ribbon technology  
 Windows driver: XP, Server 2003, Vista (32/64 bit), 7 (32/64 bit)

4. Smart card contact encoder and MIFARE contactless encoder combo option: \$1495 (USD)
5. Magnetic encoder option - dual coercivity, tracks 1, 2 & 3 HiCo, stripe down is factory default. Reverse (stripe up) magnetic encoder is available. Contact your sales rep for more information.
6. USB comes standard on all printers
7. 10/100 Ethernet option

### Zebra Performance Printers with UHF Gen 2 RFID Option

Zebra's P330i and P430i UHF Gen 2 RFID card encoder/printers offer long read range while delivering performance, reliability, expandability, and single-sided or dual-sided card printing. Designed and built for demanding environments, the P330i and P430i offer the latest in RFID technology as well as expansion options 10/100 Ethernet and magnetic stripe encoding. RoHS compatible.

#### Standard Features:

Prints 144 single-sided (P330i), 102 dual-sided (P430i) full color cph  
 Revolutionary angled card feeder design  
 20 MB standard memory

User-friendly 16 character LCD display  
 Uses the *i* Series intelligent ribbon technology  
 Windows driver: XP, Server 203, Vista (32/64 bit), 7 (32/64 bit)

1. UHF Gen 2 RFID reader/encoder option
2. Magnetic encoder option - dual coercivity, tracks 1, 2 & 3 HiCo, stripe down is factory default. Reverse (stripe up) magnetic encoder is available. Contact your sales rep for more information.
3. USB comes standard on all printers
4. 10/100 Ethernet option

***Zebra Card Printer Solutions***  
***Security Class Printers***

**P630i Dual-sided Full Color Card Printer with Single-sided Laminator**

Advanced design delivers the next generation dual-sided, full-color laminating card printer with the lowest total cost of ownership in its class. Zebra's P630i offers customizable levels of security with features such as covert printing, UV panel printing, an optional ID Key to prevent unauthorized printer use and ID Log software. With its high throughput and superior print quality, you can count on Zebra's P630i for your secure ID printing. RoHS compatible.

**Standard Features:**

120 cards per hour dual-sided printing, single-sided lamination  
Windows drivers: 2000, XP, Server 2003, Works with Vista  
Low cost linerless and waste-free laminate material

ID Log software to record transactions  
Optional ID key for added security

### SDK Support – Pricing Schedule

Part Number	Four Hour Pkg.	Service Description
ZC-SOFTW SPT-CRD	\$600 for max of 4 hours support	Technical support for application developers using the Zebra Card printer SDK

#### Value and Performance Class printers SDK

The Zebra Value/Performance Class SDK contains information for software developers intending to write applications for Zebra card printers. This allows software developers to quickly integrate commands into a card application to directly control specific features and functions of Value and Performance class card printers.

#### Zebra Card ZMotif SDK+

The Zebra card printer ZMotif™ SDK+ contains information for software developers intending to write applications for ZMotif based compatible Zebra card printers. This new XML job control based SDK allows software developers to integrate custom applications and card printer commands into a card application, and directly control specific features and functions of the supported card printer.

#### SDK Downloads:

To download the Zebra card printer SDK files or to learn more, please visit:
